The Art Of Living Foundation is an incredible organization that has made a difference in **155 different countries**, with over **35 years of service**, through a number of programs in conjunction with IAHV (International Association for Human Values) including:

- Trauma Relief for Veterans
- Prisoner Rehabilitation
- Disaster & Trauma Relief
- Youth Empowerment in Schools
- Rural Education in Developing Nations
- ...And community courses in over 200 U.S. cities!!

I have the amazing opportunity to become a teacher of these community courses and continue to share these practices and principles that have been beneficial for so many, including me!

Because of the nature of teaching these courses, your contribution more than benefits just me- but also those who will get the opportunity to be exposed to these life changing practices. Specifically, but not limited to, the parents of my students, educators, mental health professionals and community members.

"It is more a movement than an organization. Its core value is to find peace within oneself and to **unite people in our society** – of different cultures, traditions, religions, nationalities; and thus reminding us all that we have one goal to uplift human life everywhere."

****The Teacher Training Course is in TWO weeks and I need your help to get there!****

Please watch this video below to find out how you can help on this journey!

Thank you!!!!

All funds raised go towards the Art of Living TTC Tuition of \$4500.
